

## COLOR-CODING

-  School or System % at Level IV is 10 or more points above target.
-  School or System % at Level IV is 1 to 9.9 points above target.
-  School or System % at Level IV is within +/- 1 point of target.
-  School or System % at Level IV is 1 to 9.9 points below target.
-  School or System % at Level IV is 10 or more points below target.
-  School subgroup gap is below AND both subgroup scores are higher than target.

**Color will appear in target comparison cells.**

- **Performance on the Alabama Reading and Mathematics Test (ARMT) in Grades 3-8 using Reading and Math**
- **Measured by % of students performing at Level IV**
  - Level I* - does not meet academic standards
  - Level II* - partially meets academic standards
  - Level III* - meets academic standards
  - Level IV* - exceeds academic standards
- **Compared with the statewide and system averages.**

**For key socioeconomic subgroups in the student body**

- Poverty vs. Non-Poverty students (defined by free/reduced lunch percentage)
- White vs. Black students

**How we measure success.**
