### **ADVERTISEMENT FOR BIDS**

TO INTERESTED BIDDERS:

Termite Treatment/Control bids for Dothan City School System will be received until **1:00 p.m., Thursday, April 8, 2021** at the office of the Dothan City Board of Education in Training Room I, 1665 Honeysuckle Road, Dothan, AL 36305, at which time they will be opened publicly and read.

**Prospective bidders should be aware that past performance of this service will be taken into consideration by the Dothan City Board of Education in determining the lowest responsible bidder for each school/site.** All interested parties if you have any questions, please contact the Facilities Department at (334)793-1397, ext. 236216.

The Board of Education reserves the right to reject any and/or all bids, and to waive all informalities in bidding, to be the sole judge of quality of several bid proposals and to award the contract to the most desirable bidder.

It is not the policy of the Board of Education to purchase on the basis of low bid alone, quality and suitability to purpose being controlling factors, in addition past performance will be used in this determination, it being understood that the purchaser (Dothan City Board of Education), reserves the right to determine such by whatever means as may be necessary.

**Bids must be submitted on our Bid Form. Proof of business license and liability insurance will be required at the bid opening. Envelopes containing bids must be sealed and marked in the lower left corner with the bid number and current business license number clearly identified on the outside of the envelope.**

Contracts for purchase will be put into effect by means of purchase order executed by the Board of Education after tabulations are compiled, evaluated and approved by Board.

**TERMITE TREATMENT/CONTROL SPECIFICATIONS**  
**DOTHAN CITY SCHOOLS SYSTEMWIDE**  
**April 2021 – April 2024**

Treatment of Structures are to be done using Sentricon Termite Colony Elimination System with Always Active Bait that is immediately available to termites. Stations are to be spaced 8 to 10 feet apart excluding areas where concrete or asphalt must be cored. Cores must be installed no more than 20 feet apart in concrete or asphalt that exceeds label standards.

Treatment must include annual maintenance of termite bait stations and replacement of any damaged stations or bait tubes as needed, with each station and bait tube scanned and a detailed digital report provided, each inspection, that details all termite activity in bait stations or on structure. Annual inspections must be performed on the exterior and interior of each structure and any active termites treated according to Sentricon Termite Colony Elimination treatment standards.

**License/Insurance:**

Each bidder will be required to furnish a copy of their City of Dothan business license as well as their certificate of liability insurance at the bid opening. In addition, each successful bidder will be required to furnish proof of insurance on a quarterly basis.

**Contract:**

The Dothan City Board of Education reserves the right to cancel a contract if service is unsatisfactory or if proration deems it necessary.

**Payment:**

The successful low bidder(s) will be issued a purchase order number. Checks are cut based upon presentation of an approved invoice(s). **All invoices must be turned into the school office the day of mowing and signed by school principals documenting satisfactory performance of grounds maintenance requirements.** It will be the responsibility of the principals to forward these invoices to the Facilities Department for payment.

**Miscellaneous:**

Successful low bidders will be required to show proof of the following prior to signing of contract:

1. General Liability in the amount of \$1,000,000.00 per occurrence; and
2. Workmen's Compensation

\*\*The bid will be accepted for three years with the option to extend the contract at the Board's discretion for an additional years.
