Dr. Donnie Chambers
Principal

Mr. Jason Blissett
Assistant Principal

Dear Carver Families,

In keeping with our ongoing commitment to our Carver families, I am writing to advise you of actions taken this week. On November 16, the Dothan City Board of Education voted to relocate the students of Carver School for Math, Science and Technology to the campus of Cloverdale Elementary at 303 Rollins Ave, Dothan, AL 36301 for the 2021-2022 school year. This move does not mean a change in our curriculum nor a change in the wonderful staff that has always been there for our Carver Lions.

This change is being made in an effort to provide an optimal learning experience for all students in Dothan City Schools. The education of our students is a top priority at DCS and sometimes change is the catalyst for bringing about the best opportunities for our students.

Your understanding, patience, and support with this transition is greatly appreciated. Please feel free to contact me with any questions or concerns you may have. As always, thank you for trusting us with educating your children. We appreciate your ongoing support!

Sincerely,

A handwritten signature in blue ink, appearing to be 'D. Chambers', with a long horizontal line extending to the right.

Dr. Donnie Chambers
Principal
