

Carver School PE Guidelines and Safety Procedures

2020-2021 School Year

Teacher Information

Quinton Powell	qupowell@dothan.k12.al.us	(334)-794-1440 Ext. 227301
Delilah Bass	debass@dothan.k12.al.us	(334)-794-1440

Guidelines & Safety Procedures for PE

Color-coded seating spots for all students that are at least 6 feet apart for social distancing.

Students will have a “mask free” zone where they can sit and take off their masks due to being winded or a prior medical condition.

Students will have a designated, color-coded, and numbered pocket on the wall for their water bottle.

Students will have time after class to disinfect and clean their hands.

Expectations and Goals of PE

During this difficult time, we as PE Teachers are going into uncharted territory. Our main focus and concern will be continuing to keep our students, your children, safe at all times while creating fun and engaging content. We will be cleaning and sanitizing all equipment before another class uses it. We will also be monitoring all children for any signs and symptoms of possible illnesses. Our main goal is for our students to enjoy themselves while actively learning and participating in PE safely and securely.

Course Materials

The only requirement for our students to bring is close-toed shoes. They are welcome to bring them to class and put them on. Also, please make sure your child brings a water bottle. There will be times where we are going to go outside, and we all know how hot it gets in the fall months.

Please, if you have any questions/concerns, do not hesitate to contact us. We look forward to a wonderful yet different school year at Carver! **GO LIONS!!!!**
