

### Objective

Implement a consistent plan to communicate quickly and effectively with all stakeholders.

#### Critical Initiative

Provide timely communication by utilizing technology in the form of social media, website, and communication platforms, like Remind.

Start Date: 10/01/2020

End Date: 06/30/2021

#### Key Measures

Stakeholder survey

#### Critical Initiative

Require staff to make contact with each student's parent(s)/guardian(s) within the first semester of the school year.

Start Date: 10/01/2020

End Date: 06/30/2021

#### Key Measures

Parent contact documentation form

Objective

Develop a culture of positivity by recognizing the contributions of staff, students, and stakeholders.

Critical Initiative

Develop the relationships among staff, students, and stakeholders by fostering a collaborative and congenial atmosphere.

Start Date: 10/01/2020

End Date: 06/30/2021

Key Measures

Walk through observations

Family Engagement Survey

Student survey

Objective

Align spending with professional growth and student engagement priorities.

Critical Initiative

Allocate fiscal resources for programs that increase student engagement and performance as evidenced by research.

Start Date: 10/01/2020 End Date: 06/30/2021

Key Measures

Final expenditure report
Student achievement scores

Critical Initiative

Allocate fiscal resources to improve the physical infrastructure of the school with the aim of serving the current student population.

Start Date: 10/01/2020 End Date: 06/30/2021

Key Measures

Final expenditure report
Evidence of improved physical infrastructure

### Objective

At least 95% of third-grade students will achieve grade-level proficiency in reading skills.

#### Critical Initiative

Instructors will use evidence-based practices to ensure students are receiving direct, explicit instruction on third-grade reading skills.

**Start Date:** 10/01/2020

**End Date:** 08/30/2024

#### Key Measures

MAP Benchmark Data & ACAP Summative Data

#### Critical Initiative

Third-grade teachers will receive professional development in the science of reading from the local ARI Regional Literacy Specialist.

**Start Date:** 10/01/2020

**End Date:** 08/30/2024

#### Key Measures

Walk through observations

MAP Benchmark Data & ACAP Summative Data

#### Critical Initiative

Third-grade teachers will receive professional development on the effective usage of the online ELA instruction and assessment platform, IXL.

**Start Date:** 10/01/2020

**End Date:** 08/30/2024

#### Key Measures

MAP Benchmark Data & ACAP Summative Data

IXL usage and performance data

**Objective**

At least 92% of third-grade students will achieve grade-level proficiency in mathematics skills.

**Critical Initiative**

Instructors will use evidence-based practices to ensure students are receiving effective instruction on third-grade mathematics skills.

**Start Date:** 10/01/2020      **End Date:** 08/30/2024

**Key Measures**

MAP Benchmark Data & ACAP Summative Data

**Critical Initiative**

Third-grade teachers will receive professional development on the effective usage of the online mathematics instruction and assessment platform, ALEKS.

**Start Date:** 10/01/2020      **End Date:** 08/30/2024

**Key Measures**

MAP Benchmark Data & ACAP Summative Data

ALEKS usage and performance data

### Objective

At least 97% of fifth-grade students will achieve grade-level proficiency in reading skills.

#### Critical Initiative

Instructors will use evidence-based practices to provide direct instruction on the three strands of reading skills: vocabulary acquisition and usage, literature, and informational text.

Start Date: 10/01/2020      End Date: 08/30/2024

#### Key Measures

MAP Benchmark Data & ACAP Summative Data

#### Critical Initiative

Fifth-grade teachers will receive professional development on the effective usage of the online ELA instruction and assessment platform, IXL.

Start Date: 10/01/2020      End Date: 08/30/2024

#### Key Measures

MAP Benchmark Data & ACAP Summative Data

IXL usage and performance data

**Objective**

Provide relevant professional development to support student engagement.

**Critical Initiative**

Teachers will participate in ongoing professional development for the school's signature programs: mathematics, science, and technology.

**Start Date:** 10/01/2020

**End Date:** 08/30/2024

**Key Measures**

Walk through observations
