

# Carver School for Mathematics, Science, and Technology

## School Improvement Plan 2022-2023

### What is a School Improvement Plan?

A school improvement plan is created each school year to align our vision and mission with both short and long term goals. The goals help to strengthen the quality of education, leadership, professional learning, and resources within our school.

### Targeted Objectives 2023

#### Academic Goals:

Collect, analyze, and use data for improved teaching and learning.

#### Leadership Goals:

Provide high quality professional development opportunities for our teachers.

#### Resource Goals:

Maintain a safe learning environment and provide resources needed to increase student performance.

**Mission: E3** (Empower Everyone Everyday)

**Vision: C.A.R.E.S** (Communicate, Achieve, Relate, Engage, Succeed)
