

# Carver School for Mathematics, Science, and Technology

## School Improvement Plan 2023-2024

### What is a School Improvement Plan?

A school improvement plan is created each school year to align our vision and mission with both short and long term goals. The goals help to strengthen the quality of education, leadership, professional learning, and resources within our school.

### Targeted Objectives 2024

#### Academic Objective:

Collect, analyze, and use data for improved teaching and learning.

#### Leadership Objective:

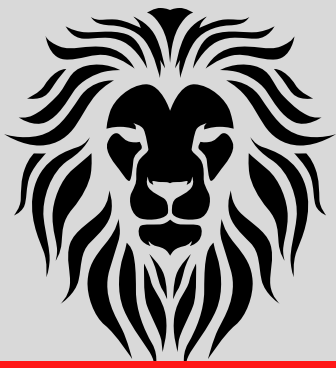

Provide high quality professional development opportunities for our teachers.

#### Resource Objective:

Maintain a safe learning environment and provide resources needed to increase student performance.

**Mission: E3** (Empower Everyone Everyday)

**Vision: C.A.R.E.S** (Communicate, Achieve, Relate, Engage, Succeed)
