

# Carver School

for  
*Mathematics, Science, and Technology*

**What is a school improvement plan?**  
OUR SCHOOL IMPROVEMENT PLAN IS A ROADMAP THAT ALIGNS OUR SCHOOL'S PURPOSE AND ACTIONS. THIS IS A WAY FOR US TO SET SHORT- AND LONG-TERM GOALS THAT WILL CONTINUE TO STRENGTHEN THE QUALITY OF EDUCATION. LEADERSHIP. PROFESSIONAL LEARNING. AND RESOURCES WITHIN OUR SCHOOL.

## *School Improvement Plan* *Targeted Objectives 2021*

<b>Academic Goals</b>	Align all curricular programs and instructional practices with the goal of improving student success.
<b>Managerial Goals</b>	Align our spending to our professional growth and student engagement priorities.
<b>Community Goals</b>	Consistent and concise plan to communicate quickly and effectively with all stakeholders.

### *Academic Goals*

- Use evidence-based practices to ensure students are receiving direct, explicit instruction of reading standards.
- Use evidence-based practices to ensure students are receiving explicit, hands-on instruction of math standards.

### *Managerial Goals*

- Align Funds and resources with the purpose of increasing student engagement, performance, and academic growth.

### *Community Goals*

- Utilize technology to communicate in a timely manner with stakeholders. Various communication platforms will be used to keep all stakeholders up-to-date on information, expectations, and accomplishments.

**Mission and Vision:** Preparing all students for the choices and challenges of the 21<sup>st</sup> century by providing a meaningful, challenging, and engaging education for all students with a focus on preparing students to participate productively and responsibly in a rapidly changing society.
