

## SGA Social Distancing Plan 2020-2021

**There will be no officer elections this year, only representatives. One representative will be elected per class.**

**All elections will be held in the classroom. Students may present a speech to their class and make a poster to be hung in the hallway or classroom.**

**A written ballot will be conducted in class after speeches have been presented and the chosen student's name will be given to me to add to the SGA roster.**

**Meeting dates and times TBA.**

**Students will be able to social distance in my classroom with the smaller number of members.**
