PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The local educational agency (LEA) assures it will submit a plan to the Alabama State Department of Education (ALSDE) that contains such information as ALSDE may reasonably require, including all information required by the U.S. Department of Education's (ED) [Interim Final Requirements](#) on ARP ESSER. The LEA will submit the plan by the date established by ALSDE.

The LEA will use ARP ESSER funds for activities allowable under section 2001(e) of the ARP and will reserve at least 20% of its ARP ESSER funds to address learning loss through the implementation of evidence-based interventions.

The LEA will comply with the maintenance of equity provision in section 2004(c) of the ARP.

The LEA assures either:

- (a) It will, within 30 days of receiving ARP ESSER funds, develop and make publicly available on the LEA's website a plan for the safe return of in-person instruction and continuity of services as required in section 2001(i)(1) of the ARP and in ED's [Interim Final Requirements](#), **or**
- (b) It developed and made publicly available on the LEA's website such a plan that meets statutory requirements before the enactment of the ARP that meets ARP requirements. (ARP was enacted March 11, 2021).

The LEA also assures that before making the plan publicly available, the LEA must seek public comment on the plan and take such comments into account when developing the plan.

The LEA will comply with all reporting requirements at such time and in such manner and containing such information as the ALSDE or ED may reasonably require including on matters such as:

- How the LEA is developing strategies and implementing public health protocols including, to the greatest extent practicable, policies and plans in line with the CDC guidance related to addressing COVID-19 in schools;
- Overall plans and policies related to State support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;
- Data on each school's mode of instruction (remote, hybrid, in-person) and conditions;
- LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
- LEA uses of funds to sustain and support access to early childhood education programs;
- Impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);
- Student data (disaggregated by subgroups) related to how the COVID-19 pandemic has affected instruction and learning;
- Requirements under the Federal Financial Accountability Transparency Act (FFATA); and

- Additional reporting requirements as may be necessary to ensure accountability and transparency of ARP ESSER funds.

The LEA assures that records pertaining to the ARP ESSER award under 2 C.F.R. § 200.334 and 34 C.F.R. § 76.730, including financial records related to use of grant funds, will be retained separately from other grant funds, including funds an LEA receives under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act).

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) ED and/or its Inspector General; (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; or (iii) the ALSDE.

The LEA will use ARP ESSER funds for purposes that are reasonable, necessary, and allocable under the ARP.

The LEA will provide services and assistance from ARP ESSER funds to students and staff during the period of funds availability. (March 13, 2020 – September 30, 2024)

OTHER ASSURANCES AND CERTIFICATIONS

The LEA will comply with all applicable assurances in OMB Standard Forms 424B and D (Assurances for Non-Construction and Construction Programs), including the assurances relating to the legal authority to apply for assistance; access to records; conflict of interest; merit systems; nondiscrimination; Hatch Act provisions; labor standards; flood hazards; historic preservation; protection of human subjects; animal welfare; lead-based paint; Single Audit Act; and the general agreement to comply with all applicable Federal laws, executive orders and regulations.

The LEA assures that, with respect to the certification regarding lobbying in Department Form 80-0013, no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making or renewal of Federal grants under this program.

The LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

The LEA will take all necessary steps to allow every student, teacher, and other program beneficiary to participate in the ARP ESSER program. If any barrier arises that impedes equal access to, or participation in the ARP ESSER program, the LEA will quickly address and resolve those issues.

The LEA will comply with all applicable requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (sometimes referred to as the Uniform Guidance, or the Uniform Grant Guidance (UGG)).

The LEA will comply with the provisions of all applicable acts, regulations and assurances; the following provisions of Education Department General Administrative Regulations (EDGAR) 34 CFR parts 76, 77, 81, 82, 84, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; and the Uniform Guidance in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

GEPA ASSURANCES

The LEA will administer each program covered by the application in accordance with all applicable statutes, regulations, program plans, and applications, including, but not limited to federal education program laws, the General Education Provisions Act, the Education Department General Administrative Regulations, and the Uniform Grant Guidance.

The LEA assures that control of funds provided to the LEA, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property.

The LEA will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds.

The LEA will make reports to the ALSDE and to ED as may reasonably be necessary to enable the ALSDE and ED to perform their duties and that LEA will maintain such records, including the records required under [20 U.S.C. 1232f](#), and provide access to those records, as the ALSDE or ED deem necessary to perform their duties.

The LEA will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of ED programs.

The LEA assures that any application, evaluation, periodic program plan or report relating to an ED program will be made readily available to parents and other members of the general public.

The LEA assures that in the case of any project involving construction-

- the project is not inconsistent with overall State plans for the construction of school facilities, and

- In developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary of Education under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities.

The LEA assures they have adopted effective procedures for acquiring and disseminating to teachers and administrators participating in an ED program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects.

The LEA assures that none of the funds expended will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

LEA SUPERINTENDENT ASSURANCES

The LEA Superintendent certifies to the best of his/her knowledge and belief that all the information and data in this application are true and correct. The LEA Superintendent acknowledges and agrees that failure to comply with all assurances and certifications in this application, all relevant provisions and requirements of the American Rescue Plan Act of 2021 (ARP Act), Pub. L. No. 117-2 (March 11, 2021), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate, and other enforcement actions.

Required Narratives

How does the LEA plan to use funds to implement prevention and mitigation strategies in order to continuously and safely operate schools for in-person learning?

*
DCS plans to implement prevention and mitigation strategies to continuously and safely operate schools for in-person learning through our reopening plan, procedures, and protocols. The District will plan and implement strategies to provide its students with the most appropriate and meaningful learning atmosphere possible. To ensure the quality of instruction and learning, administration, teachers, students, parents and community will share expectations and decisions will be driven in regards to what is best for the district and the community. The plan outlines screening protocols, health protocols, sanitizing and disinfecting, physical health and well-being, social and emotional wellbeing of students, child nutrition guidelines, a daily schedule to reflect suggestions from CDC and ADPH. Additionally, the plan includes guidance on health services, transportation, and other pertinent information for students to return to in-person learning. DCS will make decisions concerning physical distancing, mask-wearing, and contact tracing as data and information becomes available about COVID-19 cases from local public health officials, school nurses, and the ADPH. The school district will implement other protocols if it becomes necessary. The Superintendent and each school administrator will communicate any changes in the plan and protocols to teachers, students, families, and community members. DCS may modify this guidance based on changes to the ADPH and CDC guidance Recommendations or as conditions may warrant. The plan is fluid and subject to change due to data from the county and each school.

How will the LEA ensure that the evidence-based interventions will address the academic impact of lost instructional time and ensure that those interventions respond to the academic, social, emotional, and mental health needs of all students including underrepresented student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English Learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care) and those who are particularly impacted disproportionately by the COVID-19 pandemic?

*
DCS will ensure that all materials, strategies and services are evidenced-based. Interventions must meet the definition of high quality and be appropriate to address all academic, social, emotional, and mental health needs for all students impacted by the COVID-19 pandemic. All subgroup data will be analyzed to include subgroups from different ethnic backgrounds, children from low-income families, children with disabilities, English Learners, gender, migrant students, homeless students, and any child in foster care. Each individual school will conduct a Needs Assessment that will help identify the areas of academic, social emotional, and mental health needs of their students. Subgroup data will be disaggregated and individualized. Each school's ACIP will have goals, strategies and action steps to support the learning needs of identified areas and groups of concern. Each school will monitor progress through monthly data meetings that will work in conjunction with the Response To Intervention Process in place. Additional data components to be utilized will be survey data, school assessments, state assessments, individual student plans and status of health and operation of the community and families.

How will the LEA comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a)?

The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the ESSER III program.

* DCS continues to plan, monitor and adjust to challenges and barriers created by COVID-19. It is the goal of the District to utilize and maximize ESSER and GEER funding to create equal access to participation in activities and lessen barriers for all students, teachers, and other program beneficiaries with special needs.

- The District will ensure that no student or teacher will be denied participation based on gender, race, national origin, color, disability or age in the participation of activities. ·
- Cleaning schools and providing schools, classrooms, teachers and students with sanitizing solutions to prevent the spread of COVID-19. ·
- The district will provide teleconferencing and classroom management software to teachers for virtual delivery in the event online learning is needed. ·
- The district will provide a program that addresses individual needs for language learning.
- School embedded mental health services will be continued and expanded for families and teachers. ·
- General classroom materials and supplies will be purchased by the District. ·
- Professional Development will be provided for staff K-12 to address learning loss. ·
- An assessment suite will be provided for grades K-8, 9-12 that illuminates student learning through research backed measures of performance, including an adaptive Diagnostic Growth Monitoring, and Standards Mastery.

How will the LEA actively monitor their allocations, conduct interim audits to ensure an appropriate application of funds, collect and manage data elements required to be reported, and report this information to the community?

* The Assistant Superintendent, Division of Accountability and Compliance will review monthly expenditures with budget analysis reports. All purchase orders will be reviewed and approved by the Assistant Superintendent, Division of Accountability and Compliance and CSFO before approval. CSFO will monitor the expenditures and revenues posted to financials for accurate coding and expenditure amounts. All financials are posted to the LEA website monthly for community access.

How will the LEA meaningfully engage with families and communities throughout the life of the ARP ESSER and other relief funds?

* DCS will actively request input from the community and families within the district. The District acknowledges the importance of stakeholder input and understanding of the utilization of ARP ESSER and other relief funds. Parent and community input will be solicited through surveys and representation on school and district advisory committees. Initial plans, as well as amendments, for each funding source will be shared at public budget hearings, Federal Advisory Meetings, community organization meetings and publicly posted on the District’s website. Individual schools will gather input from their stakeholders during their quarterly ACIP meetings and other school-initiated connections between the school and the home. Input from parents, families, and community will be recognized and considered when creating events to engage and support families during these challenging times. In the event traditional channels of engagement are interrupted, the District will develop emerging best practices like connecting virtually, provide teaching toolkits, access to classroom management systems, and providing parent/school to home liaison for troubleshooting and technical issues.

LEA Reservation to Address Loss of Instructional Time

LEAs must reserve at least 20 percent of funds to address loss of instructional time through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

For this reservation of funds, the following interventions are allowable:

1. Summer Learning & Summer Enrichment Programs
2. Extended Day Programs
3. Comprehensive After-School Programs
4. Extended School Year Programs
5. Other – See Intervention box E for more details.

Intervention A (Summer Learning & Summer Enrichment Programs)

Provide the following information for Intervention A (Summer Learning & Summer Enrichment Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

Example:

ARP ESSER funds will be used to host a Summer Enrichment Camp during the Summer of 2023. The camp will run for two weeks for four days a week. Subjects to be covered are science, technology, engineering, mathematics and reading. We will purchase general supplies such as pencils, notebooks, glue, color pencils, copy paper, etc. to effectively run the program. We will also purchase ELA & Math manipulatives to help improve student achievement. Additionally, we will purchase an online subscription to XYZ Company for the duration of the summer program to assist our participating EL students with the curriculum (See attached job description). Total cost: \$109,030.00

[Cont.]

9130 - [010-199] (Salaries) \$54,450.00 | 9130 - [200-299] (Benefits) \$11,430.00
 9130 - [400-499] (Materials and Supplies) \$2,800.00 | 9130 - [400-499] (Software) \$20,000.00
 4120 - [010-199] (Bus Driver Salaries) \$12,500.00 | 4120 - [200-299] (Bus Driver Benefits) \$3,200.00
 4120 - [300-399] (Mileage for Buses) \$4,650.00

- - ARP ESSER funds will be used to host a Summer Reading Academy for grades K-3 during the Summer of 2022 where breakfast, lunch, and transportation will be provided. The purpose of the Summer Reading Academy is to support students in their journey to reading proficiency by fostering a love of literature partnered with sound foundational literacy skills. The camp will run for approximately five weeks for four days a week. Instructional components to be covered are dialogic reading, Heggerty phonemic awareness, and Reading Horizons. The Summer Reading Academy will be staffed with administrators, CNP workers, nurses, teachers, instructional aides, bus drivers, and bus aides. Total Cost: \$660,149.89
 - ARP ESSER funds will be used to host a Summer School for grades 4-12 during the Summers of 2022 & 2023. The purpose of a Summer School for grades 4-12 is to provide an opportunity for students to master standards that were not learned through the course of the school year. Summer School will run for approximately six weeks for four days a week. The teachers will support students through digital learning experiences using IXL, Odysseyware, and Edgenuity. The Summer Reading Academy will be staffed with administrators, nurses, teachers, and instructional aides. Total Cost: \$333,426.01
 - ARP ESSER funds will be used to employ one RTI/Summer School Coordinator (see Job Description Central Office Coordinator) (FTE 1.0) who will develop specific-aligned tools to measure appropriate duration, quality, and intensity to support student's success in the identified gaps or deficit areas. Due to the significant amount of learning loss we foresee our summer program being larger than a typical year. This individual will be directly responsible for the development and supervision of the summer program. They will monitor interventions delivered through direct instruction and their effects across content and grade level. They will also assist in designing master schedules to allow time for educators to provide daily instruction time in foundational skills and concepts. Total Cost: 233,079.24
 - ARP ESSER funds will be used for additional summer employment to increase a 9-month psychometrist to a 10 month for testing. Due to the significant loss in instruction, we fell behind in our evaluation process of our most at-risk students and determine if they need additional services through Special Education. Funds are budgeted for two years. Total Cost: \$12,013.98
 - ARP ESSER funds will be used to purchase Wifi Hotspots. During the summer program, we will have some students that will be virtually attending due to COVID or medical illness. This will allow them to regain their credits from home since they had a significant loss of instruction. \$87,704.39

- 1100 (300-399) Other Purchase Service \$87,704.39
- 1100 (400-499) Instructional software and materials \$305,886.07
- 2130 (010-199) Other Compensation \$9,990.00
- 2130 (200-299) Benefits \$2,023.98
- 2210 (010-199) Salaries \$177,796.48
- 2210 (200-299) Benefits \$55,282.76
- 9130 - (010-199) Salaries \$455,038.32
- 9130 - (200-299) Benefits \$92,172.55
- 9130 - (300-399) Transportation Services \$95,478.96
- 9340 - (300-399) CNP Services \$45,000.00

Total \$1,326,373.51

Intervention B (Extended Day Programs)

Provide the following information for Intervention B (Extended Day Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

NA

Intervention C (Comprehensive After-School Programs)

Provide the following information for Intervention C (Comprehensive After-School Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

NA

Intervention D (Extended School Year Programs)

Provide the following information for Intervention D (Extended School Year Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

NA

Intervention E (Other)

Provide the following information for Intervention E (Other):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

NOTE: If an LEA chooses to use the "Other" intervention option, the LEA must attach documentation in the Related Documents section that shows that the Intervention is evidence-based (Tier I | Tier II | Tier III | Tier IV).

- ◦ ARP ESSER funds will be used to provide 34 intervention teacher units (FTEs 22.54) (see Job Description Teacher). These individuals will be able to provide Tier II and III instruction by pulling the student into small groups or one on one. This is a necessary service due to the significant loss of instruction our students have had due to COVID and virtual school settings. Research shows that small groups and one on one instruction can help with closing the gap and regaining learning loss. Finally, the ARP ESSER funds will provide 28 part-time tutors(see Job Description Instructional Aids). These individuals will deliver Tier 2 and 3 instruction for our most at-risk students. The instruction is delivered in a 3 to 1 ratio or less. These funds have been budgeted for two years. Total Cost: \$3,711,915.69

- 1100 - (010-199) Salaries \$2,796,519.67
- 1100 - (200-299) Benefits \$915,396.02

Total \$3,711,915.69

4. Remaining ARP ESSER Fund Uses

The remaining LEA funds after the LEA Reservation to Address Loss of Instructional Time can be used for a wide range of activities to address needs arising from the COVID-19 pandemic. Please refer to the allowable uses document in the Document Library for more guidance.

Example #2:

ARP ESSER funds will be used to employ certified teachers and paraprofessionals for the 2021-2022 and 2022-2023 school years to assist with closing the achievement gap of students within the district. The following list identifies the number of teachers and paraprofessionals at each school: School A - 2 Paraprofessionals (2.0 FTE); School B - 1 Teacher (1.0 FTE) & 1 Paraprofessional (1.0 FTE). (See job description in Related Documents section.)

Total cost: \$417,813.00 | 1100 - [010-199] (Salaries) \$321,123.00 | 1100 - [200-299] (Benefits) \$96,690.00

- - - ARP ESSER funds will be used to employ 1 Special Education Transition Aide (FTE 1.0)(See Job Description Instructional/Clerical Aide). Beginning at age 16, a student's IEP must include a statement of needed transition services, including appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment and, where appropriate, independent living skills. Funds are budgeted for two years. Total Cost: \$71,696.96
 - ARP ESSER funds will be used to employ one Secondary Coordinator (FTE 1.0)(See Job Description Central Office Coordinator). Who will help provide secondary teachers with a curriculum or program that includes scope and sequence of instruction and lessons to use when teaching prerequisite skills. They will also help with core instruction, intervention, course descriptions and codes, pacing guides, data analysis and dual enrollment. Funds are budgeted for two years. Total Cost: \$229,306.80
 - ARP ESSER funds will be used to employ one Special Education School Instructional Specialist (FTE 1.0) (See Job Description Instructional Coach) who will serve as a district wide Special Education Instructional Coach, lead professional development to address areas of weakness as determined by walk-through observations, teacher mentor, and monitor district wide ESS instructional practices. Funds are budgeted for two years. Total Cost: \$174,777.51
 - ARP ESSER funds will be used to employ one CTE Workforce Coordinator (FTE 1.0)(See Job Description Central Office Coordinator). The CTE Workforce Development Coordinator will implement and oversee the Dothan Tech Workforce Academy Initiative. This initiative will be the development and partnership with local businesses in the placement of students for work based learning opportunities. This person will manage the Work Based Learning teacher at Dothan Tech. The CTE WD Coordinator will work with the DACC and local businesses in bringing industry into all CTE programs grades 7 - 12. The CTE WD Coordinator will be the point person to collaborate and implement the Liberty Learning initiative at DHS. This person will also work with elementary schools in conjunction with Bright Key in regards to career exploration and industry exposure to elementary students. The CTE WD Coordinator will also be assigned building administration duties by the Dothan Tech Principal. The CTE WD Coordinator will be responsible for initiating industry tours for all CTE programs throughout each school year. The CTE WD Coordinator will organize and implement 6th grade and 9th grade student recruitment visitation to Dothan Tech annually. Funds are budgeted for two years. Total Cost: \$214,858.00
 - ARP ESSER funds will be used to employ one Professional Development Coordinator (FTE 1.0)(See Job Description Central Office Coordinator) who will engage staff in professional learning that provides differentiated instructional strategies. Offer professional learning that will focus on building teachers capacity as they work to increase academic knowledge in the content areas. Also provide educators the option to explore how to make content comprehensible by building opportunities through purposeful scaffolded and differentiated tasks and embrace the background knowledge and experiences brought to the classroom. Funds are budgeted for two years. Total Cost: \$232,425.60
 - ARP ESSER funds will be used to employ one Elementary Coordinator (FTE 1.0)(See Job Description Central Office Coordinator). Who will help provide elementary teachers with a curriculum or program that includes scope and sequence of instruction and lessons to use when teaching prerequisite skills. - ○ ▪ RP ESSER funds will be used to purchase PowerSchool Online Enrollment Platform and Wifi Hotspots to enhance communication options with students and families through a variety of resources, tools, options, etc. Finally it will be used to purchase a Classroom audio enhancement system. Ensuring every student receives proper volume and clarity of instruction and can understand what is being taught can already be a challenge with the normal background noise of a classroom environment. With teachers needing to speak from under a mask, classroom audio solutions become an essential aid in student education. Recent research has demonstrated that students with normal hearing ability benefit from the use of classroom amplification systems. Amplification systems allow teachers to control, stabilize, and equalize the background noise at all locations within the classroom. Studies have found positive effects for students in amplified classrooms, including improved academic achievement and speech perception and increased on-task behavior. Positive outcomes using amplifications systems can only be achieved when the existing classroom instruction is effective. Budgeted for two years. Total Cost: \$302,341.30
- 1100 (300-399) Other Purchase Services (Wifi Hotspots) \$80,341.30
- 1100 (400-499) Instructional Software and Equipment (Audio Enhancement) \$150,000.00

ARP ESSER State Reserve Allocation to Address Loss of Instructional Time

The ALSDE is providing a State Reserve allocation to LEAs to address the loss of instructional time through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

For the ARP ESSER State Reserve Allocation, the following interventions are allowable:

1. Summer Learning & Summer Enrichment Programs
2. Comprehensive After-School Programs
3. Other – See Intervention box C for more details.

Required Narratives

Provide a description of the evidence-based program(s) (including partnerships with community-based organizations) the LEA has selected to use with the ARP ESSER State Reserve, and how the LEA will address the disproportionate impact of COVID-19 on certain groups of students, including each major racial and ethnic group, children from low-income families, children with disabilities, English Learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care.

*
The Dothan City School District(DCS) continues to plan, monitor, and adjust to challenges and barriers created by the COVID-19 pandemic. It is the goal of DCS to utilize and maximize ESSER III - SR funding to create equal access to participation in activities and eliminate all barriers for all students, teachers, and other program beneficiaries with special needs. DCS will ensure that no student or teacher will be denied participation based on gender, race, national origin, color, disability, or age in the participation of activities. All subgroups will be identified for accountability purposes, and funds will be allocated to ensure all students receive the same opportunities to address any learning loss regardless of their zip code. The District's policies and practices are established to eliminate barriers preventing teachers or students from accessing or participating in these grant funds. The following groups of students will not experience barriers to any program or learning opportunity provided through these funds to include any racial or ethnic group, children from low-income families/Title I Schools, children with disabilities, EL students, gender, migrant students, students experiencing homelessness or youth in foster care. The District will provide before and after-school programs to provide remediation and enrichment for all students. The District will partner with Houston County Family Services, local mental health officials, EMA agencies, and contracted services to provide as many meaningful learning opportunities as possible through this program. DCS plans to offer well-rounded summer enrichment programs to lessen the gap caused by learning loss during the COVID-19 pandemic. The district will also continue to offer a high-quality summer reading program for students who show any deficiencies in their grade level. The district will contract with certified retired teachers, current active teachers and coordinators, to provide a high dosage of targeted instruction to account for learning loss due to the pandemic and lack of consistency in schools for face-to-face learning. DCS will only use vetted materials and programs approved by the Alabama Department of Education to provide these evidence-based programs and services to students, families, and community partners.

Indicate the data sources the LEA used to identify the students most in need of the program(s) and the extent to which the LEA will evaluate the impact of the program(s).

*
The district will utilize formative assessment data, Scantron, MAP, STAR Renaissance, ACAP Summative, ACCESS scores, Pre-ACT and ACT scores, grades, homeless reports, foster-care reports, and school attendance data to determine students in need of any program established through APR ESSER funds. All schools will administer a screener in the areas of reading and math and follow up with a mid-year checkpoint and a summative evaluation in the Spring. The results from these data checkpoints will determine instructional methods and which students need to participate in other programs outside of the school day. Each school will maintain teams to monitor school goals and activities through the school's ACIP, as well as to address learning loss at the school level. Students identified through these processes will be offered additional support through the community before and after-school program, summer school programs, or high-dosage tutoring offered to meet the needs of identified students. These teams will communicate frequently with parents at the school level concerning the progress of the students. The district will support the school-level teams through professional development, updates on ESSER III, and a fluid process on monitoring student data to show growth and mastery towards proficiency of grade-level standards. The district will meet periodically throughout the year with each school to monitor progress and offer suggestions to improve resources, personnel, and funding. The LEA will evaluate all programs and monitor effectiveness through grades, summative assessments, attendance, and surveys where needed to determine student and community perception of the programs and use of resources.

Using the allocation from the ARP ESSER State Reserve, explain how the LEA will identify and engage

- 1) students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
- 2) students who did not consistently participate in remote instruction when offered during school building closures.

*

The Dothan City School District will identify students who have missed the most in-person learning from the past two years from attendance records, grades, and information from INOW/PowerSchool. The district has a plan for screening, progress monitoring, and allowing additional learning opportunities to address any deficiencies identified through these processes. Any students that were in the "missed most in-person" and scored below average on data sources will be given priority for Tier III interventions along with additional support and program offerings. The district's leadership team in partnership with the school's leadership team, will identify any student with learning loss and develop a plan of instruction to close any learning loss through the programs offered through the district and ESSER II and ARP ESSER funds. Any student identified as in need will be given top priority and instruction will be through evidence based instructional programs and supports, including but not limited to Summer Reading, Summer Enrichment, as well as before and after school tutoring.

Intervention A (Summer Learning & Summer Enrichment Programs)

Provide the following information for Intervention A (Summer Learning & Summer Enrichment Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

Example:

ARP ESSER funds will be used to host a Summer Enrichment Camp during the Summer of 2023. The camp will run for two weeks for four days a week. Subjects to be covered are science, technology, engineering, mathematics and reading. We will purchase general supplies such as pencils, notebooks, glue, color pencils, copy paper, etc. to effectively run the program. We will also purchase ELA & Math manipulatives to help improve student achievement. Additionally, we will purchase an online subscription to XYZ Company for the duration of the summer program to assist our participating EL students with the curriculum (See attached job description). Total cost: \$109,030.00

[Cont.]
 9130 - [010-199] (Salaries) \$54,450.00 | 9130 - [200-299] (Benefits) \$11,430.00

- ARP ESSER State Reserve funds will be used to host a Summer School for grades 4-12 during the Summers of 2022 & 2023. The purpose of a Summer School for grades 4-12 is to provide an opportunity for students to master standards that were not learned through the course of the school year. Summer School will run for approximately six weeks for four days a week. The teachers will support students through digital learning experiences using IXL, Odysseyware and Edgenuity. The Summer Reading Academy will be staffed with administrators, nurses, teachers, and instructional aides. Total Cost: \$230,240.00
- 9130 - (010-199) - Other Compensation - \$191,451.85 / 9130 - (200-299) - Benefits - \$38,788.15

Total \$230,240.00

Intervention B (Comprehensive After-School Programs)

Provide the following information for Intervention B (Comprehensive After-School Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)

- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

- The district will offer a High Quality After School Program for students to receive enrichment learning opportunities. The program will staff 35 certified teachers at \$25 a hour, for 6 hours a week for 34 weeks(See Job Description Teacher). The program will be conducted 3 -5 days a week depending on the school. This program will be offered to all schools and the program will align with the school calendar for the year 2021-2022. The after-school program will begin immediately after students are dismissed from school. If students and parents need assistance with homework, a certified teacher or trained aide(See Job Description Instructional/Clerical Aide) will offer the services. Attendance and grades will be monitored to address learning gaps due to the pandemic. Specialized software will be available for remediation and enrichment where needed. Total \$ 230,240.00
- 9130 (010-199) - Other Compensation (After School) - \$ 191,948.60 / 9130 - (200-299) - Benefits (After-School) - \$ 38,291.40

Total \$230,240.00

Intervention C (Other)

Provide the following information for Intervention C (Other):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

NOTE: If an LEA chooses to use the "Other" intervention option, the LEA must attach documentation in the Related Documents section that shows that the Intervention is evidence-based (Tier I | Tier II | Tier III | Tier IV).

- ARP ESSER funds will be used to host a Summer Reading Academy for grades K-3 during the Summers of 2023 & 2024 where breakfast, lunch and transportation will be provided. The purpose of the Summer Reading Academy is to support students in their journey to reading proficiency by fostering a love of literature partnered with sound foundational literacy skills. The camp will run for approximately five weeks for four days a week. Instructional components to be covered are dialogic reading, Heggerty phonemic awareness, and Reading Horizons. The Summer Reading Academy will be staffed with administrators, CNP workers, nurses, teachers, instructional aides, bus drivers and bus aides. Total Cost: \$1,169,784.00
- Total: 9130 - (010-199) - Salaries - \$ 739,087.04 / 9130 - (200-299) - Benefits - \$149,739.04 / 9130 - (300-399) Other Purchase Service (Transportation) \$190,957.92 / 9340 - (300-399) Other Purchase (Summer Feeding) \$90,000.00
